

COVID-SAFE PLAN FOR AUDIENCES

Please follow our COVID-Safe plan when you come to Carriageworks for the Festival of Dangerous Ideas 2022 (FODI). There are a number of COVID-safe measures in place on site to help keep our community safe. These safety measures may be updated depending on NSW Health advice at the time of the Festival. Ensure your contact information is up to date. Safety updates will be provided by email or SMS.

Face Masks

Face masks are strongly recommended. We strongly encourage all audience members to wear a well-fitted mask at all times during the Festival and wherever they cannot physically distance from others, such as moving through the foyers or outside at the Carriageworks Farmers Market. For your own safety and for the safety of those in our community who may be more vulnerable, please bring a fitted face mask with you.

If you feel unwell

Please do not attend the Festival if you have experienced cold or flu like symptoms in the past 7 days or are awaiting the results of a COVID-19 test. Stay home and take care. If you are unable to attend FODI in person because of COVID, a digital live stream ticket may be available for certain sessions, please contact FODI box office (boxoffice@festivalofdangerousideas.com).

Sessions will proceed at 100% capacity. Please note you will be seated alongside other ticket holders.

Good hand hygiene

Please use hand sanitiser provided at entry and throughout the site.

Physical distancing

We advise maintaining physical distancing whenever practicable.

Have your ticket ready

Print- at- home tickets will be emailed to you 48 hours prior to the Festival. Please have your tickets ready on your phone, or print them out, for scanning as you enter the theatre. The FODI box office will be open on site from 10am on Saturday 17 and Sunday 18 September if you need assistance to access your ticket.

Cashless payments preferred

Please bring a credit or debit card for ticket, merchandise, and membership purchases.

For full **Terms and Conditions** and refunds policy that meet current COVID-safety guidelines please refer FODI website <https://festivalofdangerousideas.com/terms-and-conditions>. While Carriageworks is not responsible for ticketing at FODI, Carriageworks staff will work to ensure all audiences and community are kept safe while on site.

Cloak room

The cloak room will be operating during festival hours with a limited capacity. To keep everyone safe, pack light and keep as many belongings as you can with you.
